

Visit of LIMSI

Bernd R. Noack

2016-05-16, last updated 2017-03-21

Abstract

This note provides advice for visitors of LIMSI, Rue John von Neumann, F-94105 Orsay.

Part I Arrival

1 Arriving from LE GUICHET

Cafe La Terrasse: We might agree to meet at the Cafe directly at the closest local train station. The Cafe is just right at the exit of this station. (assuming you from from CDG or MASSY TGV). You will see a grocery store and hair cutter on the opposite side of the street.

Walk to LIMSI: Otherwise walk up the hill following Fig. 1.

2 Arriving with Taxi

'Rue John von Neumann' may not be in the navigator system of the taxi. The next closest street 'Rue Louis de Broglie' should be in the navigator. Some taxi drivers do not even have a navigator, nor know Paris surroundings. They generally know 'Le Guichet' and 'Orsay'. Taxi rides from Massy TGV to LIMSI cost 25 to 50 Euro, depending on the taxi driver.

3 Arriving with Bus

Bus 91-06 goes from MASSY TGV to LIMSI approximately every 15 min (daytime) and takes 25 minutes. The bus stop is 'IUT Pole d'ingeniere'. From there it is 11 min walk. Details:

<http://www.vianavigo.com>.

4 Arriving with train

MASSY TGV (24 km south-east of Paris) is the closest TGV station. Take RER B to LE GUICHET (Direction: Saint-Remis-les-Chevreuse). These trains depart from the track closest to railroad station. Getting the train tickets is fun. Go to the ticket automate. Select 'trains from here' to 'Paris surrounding' (not 'Paris city') and specify 'Le Guichet'.

Paris EST or Paris NORD: Take RER B to 'Le Guichet'.

Gare MONTPARNASSE: Take Metro 4 to 'Denfert Rochereau' (direction P'Orléans) and from there RER B to 'Le Guichet'.

European trains are well searchable in

<http://www.bahn.de>

Type 'Aéroport Paris-Charles de Gaulle TGV' as start if you arrive on the airport. Often, Deutsche Bahn beats SNCF even in France, because the put together different data bases.

5 Arriving with plane

Paris ORLY is the closest airport. Take the airport shuttle to ANTHONY and from there RER B to LE GUICHET (Direction: Saint Remis des Chevreuse).

Paris CDG is the next closest airport. Take RER B to LE GUICHET (about 1h 10 min), (same direction: Saint Remis des Chevreuse).

Part II Accomodation

6 Hotels

- The closest hotel is 'Hotel D'orsay', perhaps three minutes walk from RER B station 'Le Guichet' and 15 minutes walk from LIMSI. The hotel uses high levels of room spray (artificial parfums).
- Aparthotel Adagio Access Paris Massy Gare
2A Place de l'Union Européenne
91300 Massy
+33 1 69 18 83 50 Directly at the Massy TGV train station, reasonably quiet, low to high levels of room spray.

Figure 1: Go from RER B station 'LE GUICHET' (bottom right) to LIMSI (top left). My and google's favourite route (15 min quick walk) is: (1) Move straight on Rue de Versailles; (2) Turn left onto 'Rue de la Colline' to the end; (3) Turn right onto 'Chemin de Bois des Rames'; (4) Turn half-left onto 'Rue André Rivière' and keep walking straight onto Rue Louis de Broglie; (5) Turn left onto 'Rue John von Neumann'; (6) Turn left into the main entrains of LIMSI (Bat 508).

- My favourite hotel is 'Au Bord du Lac', 2 rue de la Digue, F-78470 Saint-Remy-lés-Chevreuse; fon +33-1-30.52.00.43; fax +33-1-30.47.14.84; aubor-ddulac@wanadoo.fr;

<http://auborddlac.com>

Go 20 minutus with the local train RER B from Massy TGV to the end station 'St-Remy-les-Chevreuse'. From there it is 800 meters to the small lake and hotel. Go first street left (direction of incoming train), first street right and first street left again. Then you arrive at a small lake with the hotel. The hotel is in a green historic suburb of Paris and very quiet surrounding. IT is about 6 train stops away from 'Le Guichet' for the 'climb' to the LIMSI.

7 Long-term accomodation

- A good service for long-term accomodation is

<http://www.science-accueil.org/uk/>

Click 'Prepare your stay' and from there 'More information' under 'Housing'. It is free for LIMSI visitors.

- ResidHomes may have special rates for weeks or months (not in booking.com).

Part III Formalities

8 Formalities (< 1 day visit) [by LIMSI Host]

Email to visites@limsi.fr¹ and state the nationality. The visitor's card is provided by Valérie Ronflé.

9 Formalities (Between 1 day and less than 1 month) [by LIMSI Host]

9.1 Summary of requested information from visitor more than 2 months in advance

1. Data of person and visit (see below).
2. One paragraph describing the joint work.
3. PDF (1-2) pages detailing the work.

- (a) Title: Collaborative work at LIMSI
- (b) Visitor:

¹[20160418_email_LIMSI-All.Visitors.pdf]

- (c) Host:
 - (d) Period:
 - (e) Paragraph from above.
 - (f) Figure of something.
 - (g) Workplan (example):
 - i. Week 1: Discussion of the cluster-based reduced-order modeling, developed by the visitor. Discussion of its application to the fluidic pinball, an academic wake stabilization benchmark / cavity flow experiment / ...
 - ii. Week 2: Preliminary tests of the visitor's method to the DNS / experiment at LIMSIS.
 - iii. Week 3: Definition of a standard operating procedure for the modeling, the employed data formats, and potential future applications.
4. Ideally, letter from visitor's University with approval of the visit of LIMSIS. This is probably more indicated for longer visits >1 week.

9.2 Initialization at LIMSIS

Fill out the webbased form (works only inside LIMSIS)

<https://intranet.limsi.fr/FicheAccueil/>

2 months in advance.²

Required information:

1. Family Name:
2. First name:
3. Personal email:
4. Estimated begin:
5. Estimated end:
6. Group: AERO
7. Host: noack
8. Paragraph about research

²[20160418_email_LIMSIS-All_Visitors.pdf]

- 9. Role of visitor: Permanent researcher; PhD student; Intern before M2; M2 intern; CDD IT; CDD Researcher; Other
- 10. Payment: No; CNRS (contract name); Other (specify)

9.3 Signed visitor declaration

Fill out the form

RH_Declaration_presence_visiteurs.pdf.

to be signed by the director and send to CNRS 3 weeks before.

Ideally, add a letter from their University saying that you are employed at this University and that you have travel permission for LIMSIS within the specified dates.

9.4 After arrival

The host has to sign the enclosed confidentiality agreement.

AccordConfidentialiteGB.docx.

10 Visa for Europe [by Visitor]

Rules of thumb (tested for Australia and USA):

- Visit for less than three months: A visitor visa should be fine.
- Three months or more: You need a visitor permission from the town hall. This can take 9 months!!!!

Exceptions prove the rule (No idea about China and India).

11 FSD: Security clearance by CNRS [by Host]

Fill out the webbased form (works only inside LIMS)

https://assav.cnrs.fr/ASSAV_ZRR_CH_Gestion_Fiche_Recherche.aspx.

See 20170308_ICODE... as example.

- Usual data from above forms.
- Title in French.
- Short description of the position in the ZRR and the activities that will be carried out. (one paragraph).
- Upload a PDF describing the work.
